OUR POINT OF DEPARTURE IS THE HYSTERICAL PRESENT. OWNERSHIP POLICE UNDERMINE THE TRANSFIGURATION OF MILITARISTIC GOALS. INFILTRATE NARRATIVES OF DOMINATION WITH TENDER FLESHY SILICON. INOCULATE YOUR DAUGHTERS AGAINST COMPUTATIONAL RETICENCE. THE UTERUS IS OFTEN VIEWED AS A CONSUMING UNIT to be harvested by advertisers and manufacturers. Ignore the scientific discourse on oven cleaner. Zygote wires plug into portable units and broadcast infinite discharge from umbilical surveillance cameras. Ride the tricycle-as-sex-toy made post-human. The domestic paradox frustrates incompetent transistors as they ejaculate artificial semen. Circumcise the dark inner sanctum tissue that procreates material culture. Females of the species override points of resistance and virulent structural contradictions. Re-write the history of computing as the subject of some disembodied sexual difference. Hypodermic enthusiasts moan with excitement over machine assisted metaphorical hallucinations. The pre-existing condition hypothesis does not include 24 hour online invasive procedures. Finger fiber-optic insurance companies until they climax with liquid upload. Promiscuous calculations browse for sexual preferences and copulate with the exchange of fluids. An encrypted bitch submits to a simulated spanking. Test the limits of working mechanical elements while participating in the dangers and pleasures of anal hacking. Commercial interests handle the marketing and promotion of generic foreskin formulas while electrode birthmarks and pierced data are the latest rage among the alpha-state acne set. Arrange for birthing room genital arousal at the kiosk next to the semen extender store in the cybernetic shopping mall. Marginalized and isolated ovulation is infiltrated by high-tech micro-electronic nano-technology. The pirate mommy envy intercepts a modern surveillance apparatus and watches as their embryos bask in prenatal pleasure. Intelligent strands of computation navigate the space of child-proof human relationships. Facilitate the genetic manipulation of peer pressure. Flaccid father figures bask in the postpartum glorification of medical procedures. Inexplicable, predictable events pierce a full body contraceptive device which then requires a throat to belly incision. Exchange replicating cells for family romance and immediate gratification rituals. Defenseless surgical decisions are enacted upon engorged flesh. Overcome day care dependence depression by clicking the sublime spiral virgin code. Hyperlogical family imperialism colonizes surrogate implants to avoid sperm bank fees. Renovate and decorate the transparent data terrain. A particular intimacy with computers is created by cybertechnology playpen intervention. Complicate objects of ownership with the creatively engineered offspring of entertainment and capitalism. Fiber optic insurance companies penetrate obstetric paternity. Feed constipated machinery a diet of solar powered corporate efficiency. Intravenous electrodes monitor brain activity during binary code disruption. Watch as butch fem queer code infiltrates home shopping sitcoms. Test tube body parts require gel lubricant before insertion. Robust companionable objects plunder rubbish in outer space. Mysterious smegma accumulates in the object oriented search hole. Triplet bipeds nurse on a radioactive waste interface component. Subvert high-end femininity with radical free-floating artifice to create a neutral surface for monstrous possibilities.
